

As a resident of my local community, I want you to know how much K-Love means to me. It is a very bright light in an otherwise not so bright world. People in my community love having an alternative to the every day music available...one that offers hope and encouragement. It would be a terrible loss if K-love were displaced by an LPFM station. I know I speak for hundreds in Odessa and Midland Texas when I say that K-Love has provided us in the community with such a positive uplifting experience and we would be lost without it. It is with the public interest of our community to keep K-Love just as it is.

Thank you,  
Lynn Duncan
